

17-05-2020

Wishes to all the Respected Principals and the Correspondents of the schools in our state. We all aware that the conclusion of Academic Year 2019-20 was spoiled due to Corona virus (Covid-19). As a result the SSC Examinations-2020 to be held in the month of March, 2020 were also ruled out and postponed.

Now the government has decided to conduct the examinations from July 10, 2020 to July 15, 2020 and also reduced the number of papers from 11 to 6. In this new pattern the government has decided to conduct the examination for 100 marks in each subject aggregating 600 marks.

As there is lot of time left, the students have enough time to practice under new pattern. As the lockdown is still in process, the students are not in a position to go to school and write the examination. In the same way, the school managements are not in a position to conduct the examination in their premises.

To overcome this problem we have decided to upload the question papers to conduct the ONLINE EXAMINATIONS. We have decided to upload 3 Pre Final Examination Papers and 1 Grand Objective Paper.

The total schedule is planned for 1 month which is going to commence from 27th of this month.
